Mr. Earl Eisenhower
Minority Staff Director
Senate Select Committee
on Intelligence

Dear Mr. Eisenhower:

On behalf of the members of Midcareer Course No. 64, I would like to thank you for taking the time to speak to the group on 4 December. The class found the session interesting and informative, and they especially appreciated your candor in discussing Congress' role in overseeing the work of the Intelligence Community.

I hope that you will be able to address a similar group in the future.

Sincerely,

STAT
